ALL TOURNAMENTS
START at 10am

WHY PLAY BEACH VOLLEYBALL?
The beach game is great for improving your indoor skills game. Whatever the player's weaknesses, they get to work on them a ton. Dealing with the sun and wind helps them to become more adaptable. Player height is less important outdoors - ball control and skill are most important. It is a great way to also improve players' jumps and quickness. Communicating effectively is essential to the sport and the game helps teammates to grow together.
